

Survey Guidelines

The Vessel

- a. Details
- b. Vessel's Name
- c. Dimensions
- d. Hull ID
- e. Mould Number
- f. Part 3 Registration (Small ship registration)

The Survey

- a. Exterior of the Hull
 - a. Material and Details of Construction
 - b. General Appearance
 - c. Topsides
 - d. Below waterline hull
 - e. Reading of Moisture
 - f. Hammer testing of hull surfaces
 - g. Keel
 - h. Rudder and Steering
 - i. Skin fittings and Valve
 - j. Anodes
- b. Hull Internal Structures
 - a. Appearance
 - b. The structure
 - c. Bulkheads
 - d. Keel Studs
- c. Deck and External Fittings
 - a. Hull and Deck join
 - b. Deck Moulding
 - c. Chain Locker & Bulkhead
 - d. Deck Covering
 - e. Hatches, Windows and Ventilation
 - f. Deck Fittings and Equipment
- d. Rigging and Sails
 - a. Mast & Boom
 - b. Shroud Chain Plates
 - c. Forestay & Backstay Chain Plates
 - d. Jib furling Mechanism
 - e. Standing Rigging
 - f. Running Rigging, Travellers, Winches & Jammers
 - g. Inflatable Dinghy
 - h. Sails
- e. Propulsion
 - a. Engine & Transmission
 - b. Fuel System

- c. Stern Gear
- f. Systems and Services
 - a. Anchor and Chain
 - b. Fresh Water System
 - c. Heads
 - d. LPG Installation
 - e. Galley
 - f. Electrical System
 - g. Navigation Lights
 - h. Navigation Equipment
 - i. Space Heating System
- Safety Equipment
 - j. Bailing / Bilge Pumping
 - k. Detection Equipment
 - l. Fire Fighting Equipment
 - m. First Aid Kit
 - n. Carbon Monoxide
 - o. Gas (LPG) Alarm
 - p. EPIRB
 - q. Strong Points
 - r. Man Overboard Recovery Equipment
 - s. Pyrotechnics
